A Prayer of Blessing

May this season be filled with great joy and laughter! May your hearts be light as you care for your loved ones. May you each be filled to overflowing with the extravagant love of Jesus Christ our Lord and Savior. Oh, that we would celebrate Emmanuel together with all of Heaven!

2016 Ministry Highlights

We did some new things this summer with the teams. On three different occasions, we broke into small groups and went to visit and pray for families in our little village. This was so impactful for our team members as well as the families who received prayer. To experience God's presence together in the intimacy of a home changed each of our hearts.

On another occasion we did a prayer walk through our village. Our worship band led the way, riding in the back of a pick-up truck. Then came most of the rest of us walking along behind, and the tail was brought up by our ministry van carrying those who wanted to come but were unable to walk the distance. We stopped at four corners and just prayed and worshipped. This was very powerful. I have done this many times alone over the years, but it was the first time to do this with others. Some of the people in the village came out of their houses and joined us. We all could just feel the Lord moving mountains (in the spirit) during this time.

This year at our annual Harvest Festival, I felt like I was looking upon an orchard full of fruit from all the investment over the years through Pastor Junior and Leti leading the youth and Buky and Theresa pouring their hearts into the kids at Kids Club. It was amazing to witness!

My Grateful Heart

I want to say thank you to each of you for continuing to stand with me in serving the poor of Mexico. I do not take lightly your investment. I am keeping my eyes on Jesus as to how to be a good steward of the time I am here and the resources entrusted to me. I value your prayers deeply. I am rich to know you as friends and call you loved ones.

Answered Prayer

- I was able to come home to visit my Inland Vineyard Fellowship Church and was received with such deep love and affection that I am still glowing from the precious moments with my church family.
- I was able to purchase a 2009 Toyota Corolla with less than 49,000 miles in clean condition.
- God healed both my nephews of the cancer in their bodies.
- God healed the one functioning kidney that my niece has.

Personal Note

The Lord has been bringing me along a path that has highlighted my need for Him. He has placed me in situations where my strengths were irrelevant and my weaknesses were glaringly evident. However, He is drawing me closer to Him. As I learn to thank Him for the hard times and difficult journey, my trust in Him grows and I know He is accomplishing His best work in me. Then my offering will truly be His!
