

TECATE MINISTRY UPDATE

May 2015

Vince & Gail Trujillo, serving with Mexican Medical Ministries based at the Seminario Teologico de Baja California; Tecate, Baja CA, Mexico

2 Timothy 2:2

“The things which you have heard from me in the presence of many witnesses, entrust these to faithful men who will be able to teach others also.”

Making a difference in the Lives of Students

It has been a joy teaching here, in Mexico for these past many years. It’s a joy to go to local churches and meet Pastors and other church leaders and see their excitement in studying the Bible. This is one of the reasons we are here in Mexico...to equip others to effectively teach people the Bible.

One of these churches is the Iglesia Del Nazareno de San Vicente (Nazarene Church in San Vicente). Over the past few years of teaching in San Vicente the church has encouraged their people to attend these classes, as well as other seminars sponsored by the church. Many have attended and this training is one of the things that has helped the church mature in many areas. The church has many ministries to the community, such as feeding programs, ministering in migrant camps and health education in local schools.

This church also takes a group of people, each year, on mission trips to various parts of Baja and mainland Mexico.

Also, there have been a number of members from the church who have gone to Bible College. One of those members is Juanito Hernandez, who happens to have been in my classes.

Recently, he enrolled in a Bible College, close to where we live, full time. I received a note from

him that was a joy and encouragement. He said that it was because of the classes he took from me, and the way I taught, is what God used to call him to serve Him. He said his goal is to teach the Bible

full time. This is the impact that I desire to see in my students... to see them desire to be prepared to teach God’s Word to others.

I will be going back to Iglesia Del Nazareno in San Vicente June 8 – 13 to teach the second half of the book of Psalms. Also, that week, I will be teaching at the Templo Elim Iglesia Old Testament survey. ***Pray for these classes and the people who will be in these classes.***

Last month I was in Los Cabos teaching Creative Bible teaching. There were 48 students in Cabo San Jose and 38 students in Cabo

San Lucas. Here in Tecate at the Seminario Teologico de Baja California I have been team teaching Bible Interpretation on Saturdays. These are the regular locations where I have been able to teach and now God is opening more doors of opportunity to teach.

Please continue to pray for these venues and also for other places that God is opening for me to go and teach.

Making a Difference with Mission Teams

Last year Calvary Baptist Church, Cedar Rapids, IA, brought a team to Tecate for a week of ministry. Along with work projects here at the seminary, they also worked with a couple of churches. One of those churches was the La Hermosa Iglesia.

The Calvary church contacted me and asked if some of the young people from La Hermosa might want to come to Cedar Rapids, IA to do a mission trip. Calvary wants to reach out to their Spanish speaking communities in Cedar Rapids.

After talking with some of the Mexican students, it was decided to make this trip. We are helping them raise the need monies for this Mission Trip. It is a great thing to have a group of young people from Mexico make this mission trip to Iowa. They will be sharing in the church there and doing outreach projects with local Spanish speaking communities in the Cedar Rapids area.

Pray for them to raise all the necessary monies and for their time in Cedar Rapids as they minister there in the Spanish speaking communities.

Making a Difference in Families

We hosted the Holty family from MN for a week long mission experience. It was a great week for them to see and help with missions first hand. They shared special music in churches, assisted in a children's feeding program, helped demolish a bathroom for remodeling and had many cultural experiences.

While they were here, we were able to work with the Daniel Portillo family at his church south of Tecate. In the process, some of Daniel's kids and the Holty's kids quickly became friends have continue to stay connected through letters. The older Holty kids enjoyed making connections with some of the youth from the La Hermosa Church here at the seminary. And they all got to practice their Spanish!

Making a Difference in Cabo San Lucas

This year the Mexican Medical Staff retreat was held in Cabo San Lucas, usually a place known for vacations, beaches and fishing. Cabo was impacted by a hurricane last October 2014 and there was much damage done to the city.

Our staff gathered this year to not only be together as a staff, but also to assist in the rebuilding of a church. We also participated in feeding children in the communities around a couple of the churches. It was an encouraging time of being able to connect with our fellow missionaries to hear what God is doing in other parts of Baja California and also to have the opportunity of working alongside local churches.
