

## Good News Church

This church has been so faithful in partnering with us in so many ways over the years for which we are grateful. This summer they joined the Angels for two days in Ojos Negros and built trusses for the house. Plus we did a Children's outreach to assist the new church as they were starting. The goal was to let the community know not only about the love of God but that there were Christians who truly cared about their families.

We then moved back to San Vicente and worked on several projects on the mission base. Each afternoon we partnered with the local church and The Angels at a ranch several miles north to provide an opportunity for Children to hear about God.

Friday evening Good News provided a fiesta for the Angels. Watching the youth play games, eat hamburgers and generally just have fun was awesome. Truly a great week and we look forward to their return next summer.

Thank you Wes and Michelle for providing a great week and partnering with us in ministry.

## The Angels

Alba is preparing the ministry team for their missions trip in January to Nayarit (central Mexico). They are working to raise the funds to pay their own way so they can not only share about Jesus but train other youth how to teach children about Jesus. They have been asked by two churches to provide the same ministry training they have received in San Vicente so their young people can go out and teach others.

Lynne and I are thrilled to see the youth with whom we have worked having the desire to now go and teach others. When they work for weeks to earn their own way you know they are committed and have a strong desire to serve God. Praise be to God!

## Dave's Health

Thank you for your continued prayers! We are doing very well and are having an awesome time in San Vicente. Loving the opportunity to spent time with our friends and partners in Baja.

The doctors want to see Dave again in November to check on his health. They have more testing to be sure he is doing well and that they have done what is needed. Therefore, we will be back in Oregon by mid November and plan to stay till January.

Our hope is that by January we will be back on our former schedule and will be healthy enough to continue serving in Mexico for the for seeable future. We know that some changes may be necessary but that does not mean we are finished with serving God full time.

Pray with us that we will be content in our new role and we be effective as advisors more then leaders of specific ministries. It has been an awesome time in San Vicente and we feel so honored to have been a part of so many wonderful experiences. Who would have ever dreamed that a former farmer from Oregon would have so many opportunities to impact the lives of people in Mexico for Jesus? Truly amazing and awesome. WE ARE NOT FINISHED YET.

## Prayer and Praise

- ◆ Praise for growth in Angels and their desire to serve God
- ◆ Praise for Dave's improved health
- ◆ Pray for wisdom as we transition to more of an advisory role in ministry
- ◆ Praise for Safety as we travel in the roads in Mexico
- ◆ Pray for Alba as she leads the Angels and as they prepare for their missions trip to Central Mexico

**"Leadership is not about titles, positions, or flowcharts. It is about one life influencing another."**
