

Meesta hah wah you?

March has certainly marched on! We only have two more weeks of actual classes before we begin preparing for our summer in Northern Baja California.

A while back we had asked for prayer for discernment as we sought ways to be involved in our church and other areas in the community. Well, the retirement home has certainly been an answer to your prayers.

Each week we continue to meet with our new friends in the retirement home. We are greeted with a big smile and a hearty, “Meesta hah wah you?” by a gentleman that enjoys practicing his English. We have enjoyed sharing creative projects with them and have been “wowed” by some of the results. The tree in the photo shows a collaborative project we did to celebrate the coming of spring.

Through a teacher at school, we heard that someone else was asking about helping at a nursing home. Her name is Barbara, a friend from our school. She is a retired Occupational Therapist specializing in geriatrics. She has been going with us each week and is an amazing blessing and has provided valuable insight and perspective.

Some of our upcoming events:

- ▶ **March 30 - April 5** - We will be taking a short break from language school to serve with a team going to Nueva Odisea, Baja California. Our friend Danny, a youth pastor in Reno Nevada, will be taking his youth group to Clinica La Esperanza (CLE). We are excited to serve with Danny’s team for the week and with Mexican Medical missionaries Buky and Theresa.
- ▶ **April 19-20** - We will be coordinating a two-day retreat for our church here in Guanajuato. Erin is in the process of working out the plans and details with our pastor and his wife.
- ▶ **June 7-14** - We will be partnering with Dr. Alvaro and Soledad Avila, in Cabo San Lucas, with a main focus to repair and finish projects at Clinica Aqua Viva. The team will also have opportunities to assist the Avilas with health fairs at local churches to reach the communities in Cabo for Christ.
- ▶ After June 16th, we will return to Nueva Odisea and serve for the summer at CLE.

Thank you for your continued prayers and the privilege of serving together with you in the ministry of Mexican Medical
