

TECATE MINISTRY UPDATE

December 2017

Vince & Gail Trujillo, serving with Mexican Medical Ministries based at the Seminario Teologico de Baja California; Tecate, Baja CA, Mexico

Celebrating the Christmas Season!

We praise God for the 18 years of service with Mexican Medical Ministries. We are blessed that we can serve God here in Mexico with His truth of the reason to celebrate this time of the year.

Rejoicing with the Pan de Vida Church!

Several months ago, Pastor Manny Rochin of the Pan de Vida Church asked about the possibility of helping the church with another medical outreach in the Tecate area.

God brought a team together. The Pan de Vida Church had over 100 volunteers and there was a small group of volunteers from the states.

Thinking about this team, we were grateful for each one who came and for the influence they had

in the lives of the people who attended the Brigada.

Here is the report for the Brigada: Medical Consultations 31; Dental Consultations 46; Foot Care 18; Glasses 141; Haircuts 51; Children Ministry 86; Counseling/Prayer Room 60. This number included several for salvation. Other needs prayed for were health issues, family needs, depression, and recommitments.

One big result of the Brigada, that couldn't be measured by numbers, was seeing the involvement

of the Pan de Vida Church. Many of their people came and volunteered during this weekend. The Pastor expressed his appreciation for the Americans who were willing to come and help his church in this Brigada. It is his desire to see Pan de Vida be a church that reaches out to those in need. That is why he was grateful for your example and support.

Showing their desire to continue to reach out in service to people in need, the following week several of the church members left for a weekend mission trip down to Ensenada.

They are also planning a mission trip to Africa next year.

We were grateful for the wonderful team of Americans that came from 3 churches. This team included two doctors, a nurse, a pastors and other servant minded individuals who filled in wherever there were needs.

Pray for Pastor Rochin and the Pan de Vida Church for the growth of their missionary vision of reaching people in Tecate, in Mexico and in Africa.

What can you learn when you take a New Testament Class?

Why am I teaching Bible classes in San Vicente? It is a privilege to teach Pastors, Church Leaders and members the Bible because of the power it has to change lives beyond the classroom. The classes are taught so that the students will remember the material that is covered and be able to apply it to their spiritual lives.

Here are the students' responses from the November New Testament Survey Class.

Emilio Espinoza said, ***"I am very grateful for this study of the NT. It made me want to be a man of God's blessing."***

Andres Rosales said, ***"I liked this class because it was an encouragement for me to keep looking for more of God."***

Damaris Lopez said, ***"What blessed me most was learning each book and how that helped me understand the Bible better."***

Diana López said, ***"I learned more about the great love of Christ and that we have to be imitators of God as children."***

Lidia Hernandez said, ***"This class helped me a lot in my Christian life. The class seemed to go so fast and I was still able to memorize the summary of each Book of the Bible that we studied."***

Please pray for our teaching ministry that it will cause the understanding of God's Word to impact each student's life and ministry.
