

## Mapleview Baptist

Pastor Blaze again this year brought part of his youth group to serve in partnership with the local church. Always love having him come and work with us. Each year we enjoy hearing as they share at the outreaches how God is/has been working in their lives. Their partnership with the Angels is also fun to watch. They interact very well with the nationals.

When not out sharing Jesus they begin the job of giving the main building on the mission base a fresh coat of paint. It has been several years since it had been painted so fresh paint really made it look sharp. Thank you!

## Good News Community

We are so grateful for Wes and his wife Michel as they lead the team each year. Good News always works so well as partners with the San Vicente church. We know this is because Pastor Matthew teaches his church how Jesus was a servant and He is our example. Thank you Wes, Michel and Pastor Matthew

On Monday, again this year, the team along with the Angels went to Ojos Negros. We love to go assist and encourage Isidro and Silvia and their family as they pastor this new church started by the San Vicente church. It was a great day for all involved.

The next day we went to the ranch we have been going to for several years to share Jesus with the children of the migrate workers.

Then Wednesday and Thursday we went to a newer community we found last year. "Francisco Villa" is a growing community on the side of a hill and we love the kids there. There is a little church and we partner with the pastor while doing children's ministry. Pastor is new and seems to have a real heart to lead people to Jesus. We always try to partner with the local pastor.

Good News Church and The Angels

***He who does the work is not so profitably employed as he who multiplies the doers.***

## Bethel Baptist

Lynne and I love to have Bethel come because they are so well prepared and fun. Mike does an outstanding job preparing the team and leading them while in Baja.

They did great assisting the Angels at the children's outreaches at the Ranch and "Francisco Villa". At the end of the week the pastor at the community asked to pray for the Bethel team and the Angels. When he finished we asked pastor and his family to allow us to pray for him and his family and their ministry.

For a service project they continued the painting around the mission base. All our teams this year have worked on painting and doing projects on the mission base. It looks much better

Thursday after the outreach the team cooked hamburgers and hot dogs for the Angels and we had a birthday party for those who have birthdays this summer. It was a great time of fun and playing together.

Thank you Mike and Bethel team .

## Bibles and Study Books

For the first time in several years we are nearly out of Bibles to give to assist pastors and when people come by the mission base asking for a Bible.

We like to give the Angels who go to Bible school or missions school a set of books to assist in their study.

If you would be interested in either of these needs please contact us for more information

Bethel Baptist and The Angels

## Travel plans

During the months of August and September we will be traveling the western USA to visit churches, supporters, friends and family. We ask that you pray for safety as we share about the ministry and what God is doing in our dusty little town in Baja Mexico. If you would like to host a group or see us personally please contract us so we can make the needed arrangements.
